TALK AND REMINISCENCE

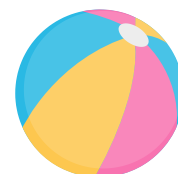

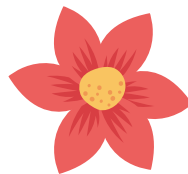

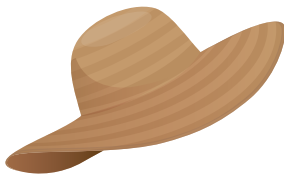

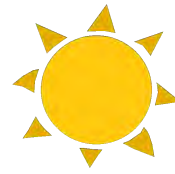

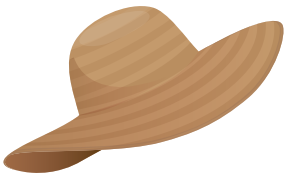

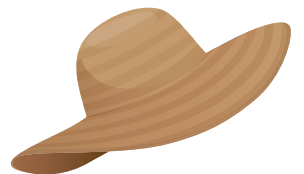

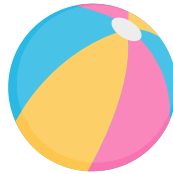

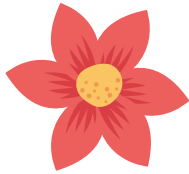

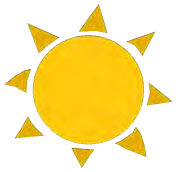

Thematic: Eating Outside

This activity is designed to encourage communication between participants. You will be given different themes to spark discussions and memories with your group. You can read the questions and sentences out loud, and then initiate a group discussion.

- Did you ever eat outside with your family in the summer?
- Tell me about the place where this happened (your backyard, camping, cottage, picnic, etc.). Did you have family and friends over?
- Was there a "BBQ king" in your family? What types of meals did they cook over the fire? Did they have favorite cuts of meat?
- Did you ever go on a picnic? Where (park, field, etc.)? What foods did you bring to your picnics?
- Do you like summer fruits such as strawberries, watermelon, etc.?
