# TALK AND REMINISCENCE

## Theme : Winter Activities

This activity is designed to encourage communication between participants. You will be given different themes to spark discussions and memories with your group. You can read the questions and sentences out loud, and then initiate a group discussion.

- Did you spend a lot of time outside during winter?
- Talk about winter activities and sport you enjoyed as a kid.  
Hockey, skating, sliding, skiing, etc.
- Many cities and villages have ice skating rinks and hills to slide in their parks. Did you visit them? with friends? with your family?
- Did your winter activities change as you grew older (kid vs adult)?
- Did you have any "post-activity" rituals, like drinking a hot cocoa or hanging your wet gloves to dry by the fire, etc.
