Word scramble

With the help of the clues, find the word we're looking for.

I'm the month that marks the beginning of spring.

I'm sweet and I'm eaten with a wooden stick on snow..

I'm planted in autumn and my colorful flowers come out in spring.

I'm the day of the week we celebrate Easter.

I came out of an egg and I'm an emblematic Easter animal.

I'm yellow, I'm huge and I melt snow.

A strong gust of wind has mixed up the letters on our list of spring-related words... Can you put them back in the right order?

This activity is designed to encourage communication between participants. You'll be given different themes that will spark discussion across the group and bring back memories for everyone. You can read the questions or sentences out loud, and then initiate a group discussion!

- What's your favorite sugar shack memory? Did someone you know own one? Have you ever collected maple water?
- Did you look forward to the snow melting, or did you enjoy the gentle transition from spring to summer?
- Did you have a flower or vegetable garden? If so, what was your favourite thing to plant?
- Share your favorite springtime activity with us and tell us how it makes you feel.
